Ram Board® Tapes

Ram Board® Seam Tape

Perfect solution for joining Ram Board seams. Its 3" width gives more of an allowance to cover Ram Board seams. The kraft backing makes it easy to tear off and install as well as making it recyclable. Because of it's contractor grade adhesive, it should not be taped directly to finished floors and surfaces. Like most tape it is not vapor permeable and should be avoided in areas where curing floors need to breathe.

Admixtures

Premium SBR Bond

A premium quality latex based primer, admixture and bonding agent. The reinforced anti-foaming polymer formula increases the water resistance, durability and flexibility of concrete, mortar, renders, floor screeds and adhesive compounds.

Ideally suited for pointing, patching, bedding, waterproofing, tanking and flooring, especially in wet, humid, damp environments. Unlike water based admixtures, SBR bond is suitable for external applications.
